

Organization Description:

We started with a mission to make life insurance accessible, affordable and customized for everyone. Quility is a modern approach to the traditional process of shopping for – and purchasing – life insurance.

Can you follow a proven system for income? ***Our agents are earning more than ever now during these troubled times.***

You have not seen anything like what we have... it is really unparalleled in the sales industry

Our team will support you with every sale!

If you are a serious-minded agent and would like or need to earn a real income fast, then you are in the right place.

Job Details: Full- Time or Part-Time

This is a position that you can start part-time if needed and build your income until it matches what you are currently making full time...then make the transition. Also, if you are just looking for an extra couple of thousand each month, this is an ideal position for you.

Part-time - 50K plus. Full Time - 100K plus. English speaking or Bi-Lingual

Responsibilities:

Clients are requesting coverage and we need another highly motivated agent to help us with the demand.

We are looking for **ONE** serious and experienced agent/advisor in this area.

1. Named the #1 company in 2019/2020 with the most money earned for our sales agents.
2. We are the #1 fastest growing company in 2019/2020.
3. Our sales agents earned more money quicker than any other group in the country ***due to our big data integrated in-house lead program.***

4. Many of our new sales agents are earning money the 1st week after joining our group. **Pre-set appointments for producers.**

5. We have the #1 exclusive lead system in the industry bar none. Our clients request our insurance products. **We do not cold call anyone.**

6. We have the #1 CRM and tracking system in the industry

7. We have live sales agent support on every sale with top-level managers every day.

8. **You are vested from day one. Top Compensation.**

9. The best opportunity you have seen in a long time.

10. **Qualify for stock ownership in our company** which is one of the largest IMO's in the nation and the number one preferred IMO in the nation!

*We market out to clients who respond back interested to our product

*We go over coverage options with clients

*Average Cut for the producer is 700-1200 per sale in commissions

Requirements: *Required* *License (we will help you get your license)

You must have your own life insurance license and E&O coverage or be able to pass a state exam to obtain one.

We still need one very motivate agent in this area and we have plenty of great leads to distribute.
