

We are seeking a Licensed Insurance Producer to join our Farmers team! You will be responsible for selling auto, home, life and commercial insurance policies to new and existing clients.

**Responsibilities:**

- Present and sell insurance policies to new and existing clients
- Develop and calculate suitable plans based on clients' needs
- Resolve client inquiries and complaints
- Expand business reach through networking techniques
- Comply with insurance standards and regulations
- Track and identify areas of improvement

**Qualifications:**

- Previous experience in insurance
- Must have valid P&C and Life & Health license
- Excellent written and verbal communication skills
- Ability to prioritize and multitask

**Compensation:**

- Base salary plus commission. Salary is based on experience. Commission will vary and is based on total production.
- 401k with match benefits
